Which power bank should I buy?

The Nimble Champ is our top recommendation for most folks, but we have all sorts of alternatives here. Read our Best MagSafe Power Banks guide for magnetic wireless chargers, and our Best Portable Power Stations guide for more power. Updated November 2025: We've added a power bank from EcoFlow, and an honorable mention for a new Anker power bank.

Should you buy a power bank or a portable charger?

The best power banks are always handy. Our gadgets have a Murphy's law-like ability to run out of power at the least convenient moment: as you step on the bus, right in the middle of an important meeting, or just as you get comfortable on the couch and press Play. But with a portable charger, you can keep using your devices.

How much does the Aohi Starship power bank cost?

Aohi Starship Power Bank for \$120: The Aohi Starship looks like something you might find on the Nostromo, with a black and yellow design, three ports in one end, and a display to show remaining battery life as a percentage and wattage in and out. Information is in yellow, but the display is very dim (too dim to make out in direct sunlight).
